Accreditation recommendations to the College and year of recommendation	Actions taken by the college to address recommendations	Improvement results
The college fully implement student learning outcomes assessment across all courses, programs, and degrees, wherever offered and however delivered. Further, the evaluation committee recommends that the college systematically use the results of the assessment of student learning achievement for improvement of instructional and student support programs.	As part of the College's comprehensive evaluation of learning outcomes assessment, the College adopted new General Education Learning Outcomes in Spring 2018. The College created an assessment workgroup to implement comprehensive learning outcomes assessment in 2018. Faculty will review and update program learning outcomes in 18-19 Academic Year.	Not applicable at this time.

Name of College:

Accreditation recommendations to the College and year of recommendation	Actions taken by the college to address recommendations	Improvement results
Systematically use the results of the assessment of student learning achievement for improvement of instructional and student support programs	The college will analyze and incorporate the results of the assessment activities into the planning process in the 19-20 Academic Year.	Not applicable at this time.

Accreditation recommendations to the College and year of recommendation	Actions taken by the college to address recommendations	Improvement results
The evaluation committee recommends that the library perform regular and systematic evaluation of the quality, adequacy, utilization, and security of library resources and services.	The Library has initiated a comprehensive program review. This review is evaluating the quality, adequacy, utilization, and security of library resources and services over the last three academic years. The college will analyze and incorporate the results of the program review into the planning process in the 19-20 Academic Year.	Not applicable at this time.
